CAMPUS PLACEMENT GUIDE 2026–2027 University Placement & Training Cell

1. Eligibility Criteria

• **Minimum CGPA:** Students must maintain a minimum cumulative CGPA of 7.5 or above with no active backlogs to be eligible for tier-1 campus interview drives.

• **Attendance:** A minimum of 85% attendance in all placement training sessions is mandatory.

2. Selection Process & Rounds

• **Round 1 (Aptitude & Technical Screening):** 60-minute online test covering Quantitative Aptitude, Logical Reasoning, and Core Data Structures & Algorithms (DSA).

• **Round 2 (Coding Assessment):** 2 coding problems in C++, Python, or Java to be solved within 90 minutes. Focus areas include Arrays, Linked Lists, Trees, Dynamic Programming, and Graph algorithms.

• **Round 3 (Technical Interview):** In-depth discussion on project architecture (e.g., MERN stack, Full-Stack deployments, RAG applications), Object-Oriented Programming (OOP), Operating Systems, and SQL queries.

• **Round 4 (HR Interview):** Discussion on communication skills, willingness to relocate, company culture alignment, and salary negotiation.

3. Important Rules & Code of Conduct

• **One Student, One Offer Policy:** Once a student receives an offer with a CTC above Rs. 10 LPA, they are automatically deregistered from further campus placement drives.

• **Dress Code:** Formal business attire is mandatory for all virtual and physical interview rounds.

• **Resume Submission:** Resumes must be updated and verified on the university placement portal at least 48 hours before any company drive.
